Invites you to join us for

ICS I-300

Intermediate ICS for Expanding Incidents

Instructor: Robert D. Barnett

Pre-requisites: ICS I-200

Designed for: Emergency response personnel who would function in a Command or General Staff position during a large, complex incident or event or personnel who are or would likely be part of a local or regional Incident Management Team during a major incident whether single agency, multiagency, or Unified Command.

Description: Provides an in-depth focus on the NIMS Incident Command System (ICS) that includes the tools, practices, and procedures that are available in ICS to effectively manage incidents or planned local events at a Type 3 level. This course ensures that responders understand the basic ICS concepts that allow an incident management organization to expand and contract as needed to fit the incident and maintain its operational effectiveness.
